

## EVTA Membership Grant

### Scope of Practice

#### Grant Overview

The Eastern Veterinary Technicians Association (EVTA) offers **four (4)** grants annually to deserving members. These grants are awarded through a formal application process, wherein applications are reviewed and voted on by the Board of Directors. All decisions regarding grant awards will be made no later than **60 days** prior to the end of the membership renewal period.

#### Eligibility Criteria

To be considered for a grant, members must provide proof that their employer does not cover membership dues. Acceptable forms of proof include a letter or statement from the employer. The support documentation can be provided via email to [evtamembership@outlook.com](mailto:evtamembership@outlook.com).

Acceptable circumstances under which membership dues are not covered by the employer include:

- Leave of absence
- Part-time employment
- Employment within a 3-month probationary period

If an employer does not pay dues for regular employees, the EVTA may make a request on behalf of the member before accepting the application.

Grant applications must be submitted alongside the required proof from the employer.

#### Decision Process

Grant applications will be reviewed and awarded on a first-come, first-served basis, starting from the opening of registration. The application must meet all established criteria for approval.
